David M. Athey, P.E.  
Central Coast, Regional Water Quality Control Board  
895 Aerovista Place, Suite 101  
San Luis Obispo, CA 93401-5411

**Subject: Response to RWQCB Comments and Application for Waiver of Waste  
Discharge Requirements  
Olin/Standard Fusee Site  
Morgan Hill, California**

Dear Mr. Athey:

Pursuant to the Central Coast, Regional Water Quality Control Board's June 10, 2004 letter, enclosed is Olin's response to comments regarding the *Remedial Action Work Plan & 90% Design Report for Soil Remediation* (GeoSyntec, April 2004). Also as requested, enclosed is Olin's application for a waiver of Waste Discharge Requirements for enhanced bioremediation substrate addition.

If you have any questions, please call me.

Sincerely,  
OLIN CORPORATION

Richard W. McClure, P.G., REM  
Environmental Remediation Group
